## Buyers Accumulating Shares of Powershares WilderHill Clean Energy Portfolio on 1.5x Above-Average Volume (PBW)

(via COMTEX News Network)--

**Shares** of Powershares WilderHill Clean Energy Portfolio (AMEX: **PBW**) are trading up 2.3% to \$10.38 today on above average volume. Approximately 582,000 shares have traded hands today vs. average 30-day volume of 377,000 shares.

Spikes in volume can validate a breakout or signify a potential turning point. As such, SmarTrend will continue to monitor shares of PBW to see if this bullish momentum will continue.
